See what one of our parishioners has to say about Fundability:

Fundability is such an easy way to give back to the church while doing my normal everyday activities. I have been purchasing from Fundability since it began. I use it for gift cards for myself, my family, and my business. Especially at Christmas, I buy gift cards for my staff and during the year as incentives and promotions. They have such a variety of gift cards and if they don't have it in stock, the ladies are always willing to order it for you. I would recommend everyone buying Fundability gift cards. The church receives a portion of every card purchased. How easy is that?
